

**P-0634-001**

The CRC office appreciates requests for presentations by CRC project staff. Unfortunately, CRC was unable to respond to the request in the time frame specified. In general, opportunities to schedule a presentation are available by emailing the project at feedback@columbiarivercrossing.org, via the online comment form, or by calling the project office.

Specific Request:

P-0634-001 Presentation to economics class on Columbia River Crossing Project. The term ends next week, so I am interested in either Tu or Th, June 3 or 5, from 10:30 am - Noon.

I understand this is a short notice, but I would appreciate it, as we are discussing congestion pricing and transportation.

Thanks.
